

# DR. TIMM GOLUEKE

## BIOGRAPHY

Dr. Timm Golüke studied human medicine at Ludwig-Maximilians-University (LMU) in Munich. After stays in New York (Dermatology, The New York Hospital/Cornell Medical Center) and San Francisco (Dermatopathology, University of California), he trained as a dermatologist at the Darmstadt Dermatological Clinic under Professor Hagedorn and in the dermatological practice of Professor Luderschmidt in Munich.

Dr. Timm Golüke received his doctorate at the Dermatological Clinic of Ludwig-Maximilians-University in the field of dermatology on the subject of autoimmune diseases of the skin.

In 2004, he opened his dermatological practice in Maximilianstraße and treats patients from Munich and all over the world.

In addition, Dr. Timm Golüke holds a weekly dermatological consultation at "Lanserhof" at Tegernsee.

Since 2017, Dr. Timm Golüke has also been board certified by the General Medical Council in Great Britain. In London, he offers regular consultations monthly.
